Why are we more productive in coffee shops?

Who doesn't love to gather in the kitchen?

Where do you find inspiration?

What connects us all?

# Nourish. Connect. Create.

Genuine human connection, a creative spark, the feeling you get when your soul has been nourished — these are the things you experience when you're with someone you care about. That's precisely how we want you to feel in every interaction with Grand Rapids Chair Company.

For over twenty-five years our family-owned company has offered high-quality, design-forward seating and tables that infuse spaces with joy. From trendy new restaurants to today's modern offices, Grand Rapids Chair Company offers furnishing solutions that elevate the shared human experience.

# Feed spirits. Spark ideas.

Whether you're savoring a meal, relishing the outdoors, or collaborating with colleagues, our furniture is designed to inspire connection and creativity in every setting.

Create intimate moments for connections — the boardroom looks like business, but it's at the café where deals get done.

## **Hub •** Page 14

Bring people together with spaces casual enough to let minds wander, yet supportive enough to promote productivity.

## **Between •** Page 20

Wherever they're from, and wherever they're going, surprise travelers with opportunities to gather where they least expect it.

## **Fresh Air •** Page 26

Celebrate the simple pleasure of fresh air and the joy of being together in the great outdoors.

We craft furniture that nourishes connections and creativity.

At Grand Rapids Chair Company, we believe in the power that creative spaces have to bring people together, feed their spirits, and spark the next great idea. And with our hospitality roots, we have a deep heritage of designing solutions that do just that.

As a second-generation, family-owned Michigan business, authentic relationships inspire us to enable your success. Here, you'll always find quality manufacturing, fast lead times, and dependable service.

It's all a part of our goal to make good design accessible to all.

Did you know...  
We name many of our products after those in the Grand Rapids Chair family—owners, employees, and loved ones. Pictured is Bennett, Brooke, Dylan, Frankie, Onesima and Rita with their namesake designs.
